SKILLS

Cinematography and Camera- Working as a cinematographer on numerous short films and documentaries I am now skilled in constructing lighting set ups, floor plans, shot lists, and storyboards. I have worked with 16mm film and digital, and as a 1st Assistant Camera and Camera Operator. **Arri Alexa XT, Arriflex SR3, RED Scarlet, Canon 550D/7D/5D, Ikonoscop A-Cam DII, Sony HVR Z1, Sony F5/F55/FS7/F55, Sony A7s/A7sii, Black Magic Cinema Camera, Canon C300/C100, Canon 5D Mk2/3/7D, GoPro.**

Gaffer and Spark- As a Gaffer I can create a versatile range of lighting for creative music videos, commercials, documentaries, interviews, and films. **Kino Flo, Red Head, Fresnel, Arri Lights, Dedo Lights**

Directing and Producing- I have directed and produced a number of projects. I have been responsible for pre production, beating out scripts, sourcing actors and locations, acquiring props and costume on a number of projects. **Directing crews/actors, managing locations, treatments, production schedules, release forms, risk assessments, call sheets, booking equipment**

Editing- Editing many projects from rough cut to the audio/visual lock I am now confident in making creative decisions, sometimes difficult, in order to benefit the story. I have designed soundscapes, controlled levels, colour graded, and exported. As a keen photographer I also have a strong knowledge of photo editing. **Adobe Premiere Pro (up to CS6), Final Cut Pro (up to 7), Photoshop (up to CS6)**
